Commission on Children, Hartford

Attendees: Beverly Brown, Sean Condon, Al Duran, Pat Estill and Dick Hemenway, Felicia Manning, Norma Perry, Miriam Rodriguez

1. The committee would like to sponsor its own mural painting day for the Art Miles Mural project. Beverly Brown offered to coordinate this project and make preliminary arrangements for a day in the Fall.
2. The committee discussed various aspects of the Youth/Teens forum. Dick Hemenway is to make and distribute a project plan with specific assignments and deadlines. Please check your email for this file and any required items.
3. Miriam Rodriguez reported on her Exstacy material and distributed copies to the group. She will make revisions and check on copyright permissions. This is excellent material that will be included in the Youth/Teens site.
4. Pat Estill suggested that we interview a Connecticut student who has written a significant musical work for the Spotlight pages. Beverly Brown agreed to look into the possibility of doing this interview.
5. Pat Estill and Dick Hemenway reported on their meeting with members of the Connecticut Public Broadcasting staff regarding a possible partnership with ConneCT Kids. The meeting largely consisted of an explanation by both groups as to their missions, objectives and future plans. CPB has a significant library of material on a broad range of topics for students and grant money to develop projects. ConneCT Kids has an established web presence, a significant position as an official State of Connecticut website, and an active working committee for content development. The meeting ended with a commitment by both groups to seek ways of working together for mutual benefit.
6. Next meeting date: September 6, 2001, 2:00pm, Commission on Children.
